Clarification of News Report

We submit our reply to the request for clarification and/or confirmation of the contents of the news article entitled "Ang's Eagle Cement earmarks P6.5-B capex" posted in Manila Bulletin (Internet Edition) on 22 June 2018. The article reported in part that:

"Eagle Cement Corporation, a local cement manufacturer controlled by the Ang family, is investing P6.5 billion this year for the construction of additional facilities to increase its capacity further.

...."

By way of response to the Exchange, we would like to clarify that the P6.5 B Capex mentioned in the article is the projected total capital expenditure for the third production line (Line 3) of Eagle in Sal Idefonso, Bulacan, which is expected to be completed and fully operational by the third quarter of 2018.

We hope this clarifies the matter. Thank you.
